

HV Filter Kit Series

Introducing a series of filters to optimize your HD/SLR video shooting experience

"Tiffen filters take an image that would normally look ordinary and make it extraordinary."
 -Shane Hurlbut, ASC, Hurlbut Visuals, Inc.

The Pro Plus HV Kit

- * Great Value, up to 20% savings off individual filter prices
- * Delivers clean images for post color grading
- * Created for the Canon 5D 8 BIT color space
- * Made with optically pure Water White glass and Tiffen's ColorCore™ technology
- * Each kit includes a padded nylon pouch with belt loop
